Give for Good Louisville

Make a meaningful difference

Friends, last year we raised more than $7,000 — and especially cool and generous — more than. That means this year's donors will receive their tax-free donation to match a second $5,000 donation. Raising the GOAL for Good campaign.

Our goal for this donation is not unique, but will plan out at Food and Fun pantries and to serve our neighbors as we build. Reading cuts could spell disaster. Specifically, these are the items we need most. Please bring them to the pantry or mail them to CCUMA. Be supplemented by Christmas Assistance Program.

According to the organization. Feeding America, the USDA cuts will eliminate 11 million meals annually. That's how many meals the nation's food banks provide now. Food pantries like ours may have to double our resources, as we're already help beyond our means. The real crisis will be in the months ahead. Please help us meet our challenge. Every dollar donated has double impact.

Earlier this year the President cut federal funding to food banks by $500 million.

In the meantime, the number of pantry clients are expected to increase now as the job market continues to

PANTRY NEEDS

Sometimes, pantry volunteers wish you could see what goes on when we're open. People who've been coming to the pantry for years have never set official a pantry meeting.

Sometimes they bring their whole family. Sometimes they're just trying to attend to our small building.

Nearly everyone is full of thanks. During the pandemic, when we were closed, it's not unusual for clients to call and leave voice messages.

And it's always a pleasure when we have what they really need and want.

Among our needs at the moment:

- Shampoo and conditioner
- soap or bath wash
- toothpaste and brushes
- sanitary pads and tampons
- laundry detergent, especially pods
- Dish soap and dish sponges
- baby wipes
- adult diapers
- toilet paper — always, always toilet paper
- FOOD —
- infant formula and baby food
- Canned soup

- Meals in a can such as Chef Boyardee, spaghetti and meatballs, beef stew, ravioli and chili
- Stick in a can such as tuna, chicken, spam
- white and brown rice
- canned fruit, beans, white beans, pinto beans, chickpeas, red beans
- Pasta and pasta sauce
- baking supplies such as sugar, flour, baking soda, baking powder
- cooking oil
- powdered milk and shelf-stable milk options
- Cereal, cookies
- frozen food, including ground beef
- cat food
- dog food

Please keep in mind that the pantry is one place we always need volunteers to help with this overarching work.

Also, we're always looking for any toys and other to give your time out only to the pantry but with many of our other ministries. Please contact Annie at schedule@cchristhill.com. ☺
